

Attention Physicians' Clinic Clients

On January 1, 2010, the Clay County Public Health Center (CCPHC) began transitioning its primary care services (the current Physicians' Clinic) to Samuel U. Rodger's Health Center in the Northland.

The main office will now be located at 4822 North Oak Trafficway (Kansas City North) in the North Oak Market Place by Price Chopper. A two-day per week clinic will also be offered at the Clay County Public Health Center, 800 Haines Drive, Liberty, MO by staff of the Samuel U. Rodgers Health System.

Medical records will be transferred to Samuel U. Rodger's Health Center unless patients call us (816-595-4204) indicating which provider should receive their medical records. If you decide to become a Samuel U. Rodger's Health Center client, it will be under the continued care of Dr. Carl Inzerillo.

North Oak Clinic Number for appointments (Mon-Friday): 816-413-0662 and 816-413-0657.
