Immunization Price List

Vaccines for Children (VFC)

Federally funded vaccines are provided at no cost to clients on Medicaid. Uninsured and underinsured pay a minimal administration fee per visit. To determine if you qualify, call (816) 595-4355.

Payment

We are now accepting most major insurance plans. We accept Medicare B for seasonal influenza (flu) and Pneumonia immunizations and Medicare D for Tdap and Shingles immunizations. Payment is required at the time of the visit.

If you are unable to afford a needed vaccine, please call for information on patient assistance programs at (816) 595-4355.
